Born in Thane, Maharashtra with 100% Speech & hearing impairment, had to study in a special school as mainstream schools refused to admit him. he had a knack to make setches right from his very early days, which he gradually mastered as he grew up. Taking his disability as a minor challenge in his life, he went on to complete his Masters degree in Fine Arts. Today Chetan participates in several exhibitions and has won many state and national awards for his highly inspiring creations.

His participation in Regional and National Abilympics helped him excel in these competitions earning him Gold Medals in both the levels.
